

**CORRECTION TO “THREE-MEMBER COMMITTEE WHERE
ODD-MAN’S JUDGEMENT IS PAID REGARD”***

MINORU SAKAGUCHI**

Received August 31, 2007

Arrows mean “should be” (except in the figure below).

In ABSTRACT, line 4 ↓, arbitration for \rightarrow arbitration by voting for.

line 5 ↑, Next to distribution, insert :

If the committee rejects an applicant, then the next applicant is interviewed. If the committee rejects the first $n - 1$ applicants, then it should accept the n -th.

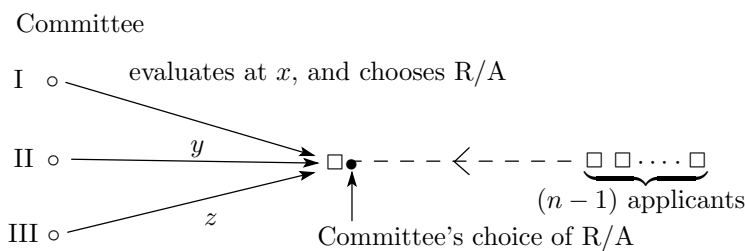

In Section 1, line 8 ↓, committee \rightarrow players.

line 9 ↓, game \rightarrow committee’s choice of R/A .

line 13 ↓, committee \rightarrow players.

line 15 ↓, Next to the committee, insert :

The following figure illustrates the state (n, x, y, z) .
